Friends of Raymer Car Show

The 8th Annual Friends of Raymer Car Show will be held in New Raymer, Colorado on June 1st, 2024. We have moved the car show to be earlier in the year as to not compete with some of the neighboring car shows. We expect this event to draw many people from the surrounding communities in Morgan, Logan, Weld, Larimer, and Denver counties. This event continues to be very popular in our community, and we are excited about our expected turnout this year.

The Friends of Raymer is a 501(c)(3) non-profit organization. Our mission statement is to offer educational experiences and provide public access to history in ways that enrich and expand the life of our community. The New Raymer Car Show was put together as a fun event for the community. It is also one of our most important fundraisers every year. Funds help us in our current goal of restoring the buildings along New Raymer's historic Centre Avenue. We have already started the process of restoring the Truxaw & Kruger Grocery/Seldin's Cash Grocery building and the Star Filling Station / Texaco Gas Station! Our goals include saving and restoring these buildings as well as the State Bank of Raymer. In addition, we support local businesses by bringing in people to the area and working together with them to put on this fun, small-town event.

As a member of the New Raymer Car Show committee, it is my pleasure to contact you to see if you would help sponsor this event. If you have any questions, please give me a call. I will be contacting you soon to help complete the paperwork or you can mail the sponsorship form back to the committee.

Sponsorship support needs to be confirmed early. In order for your sponsorship to be included in printed advertisements and on the t-shirts please submit your payment before May 1st.

I hope you will be part of the team that makes the car show such a huge success this year. We look forward to seeing you at the event as well!

Thank you for your time and consideration,

Sponsor Information Sheet

Logo Information

Friends of Raymer will need to be provided with a logo in as large a file size as possible. While we are sometimes able to find a small logo online, we need the large size file for printing on our t-shirts and signage at our event. The small logos become hard to read when they are used on printed materials.

Logo files can be sent to FriendsOfRaymer@gmail.com

Logos need to be received by May 1st, 2024 or earlier to ensure that they can be included on all of our printed materials and t-shirts.

Please contact us if you have any questions or concerns about your logo or other branding information. Talia Siens is our media specialist. She can be reached at 970-222-9852 or at FriendsOfRaymer@gmail.com.

Thank you for sponsoring our car show. We appreciate your support!
